| Waist | 37 | 39 | 41 | 43 | 45 | 47 | 49 | 51 | | | |
| Hips | 49 | 51 | 53 | 55 | 57 | 59 | 61 | 63 | | | |

This size chart is for measurement reference only; all styles are not necessarily available in all sizes. Refer to our website for the sizes that are available in a particular style in this collection.

IMPORTANT INFORMATION ABOUT SIZE CHARTS AND CHOOSING THE CORRECT SIZE

- Please Note: This is a general size chart for all of the styles in this designer's collection, every style is NOT necessarily available in every size.
-
- Please be advised that all styles fit differently based on the fabric and the actual style of the dress. (For example, if a style doesn't have a waist line, then the waist measurement of the dress will be bigger than on the size chart.)
- If a dress has an A-line shape, the hip measurements of the dress will be bigger than on the size chart.
- We will know if the style you are ordering fits differently from the measurements in this size chart.
